TRAINING INFORMATION

Are you interested in incorporating drawing, music, photo and video activities into your classroom? The Everyone Can Create resources make it quick and easy for educators to bring creativity into any lesson and foster creative expression in every student. See how creativity in learning can empower your students.

Join us at the ignITe Hub for a 1-day, cost-free training for MCPS and Montgomery College educators.

In-person
June 26, 2024
9 am – 3 pm
Limited seating
